Breast Cancer

with Dr Coralia Jigau

What can we do to minimize our risk of getting breast cancer?

God has given us principles for health. How can we apply these principles in the context of cancer prevention?

"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." 3 John 1:2

Dr. Coralia Jigau has been practicing medicine in Australia for 27 years. She is practicing Lifestyle Medicine, a branch of evidence based medicine which is emerging as a treatment of choice for arresting and reversing the progression of many chronic diseases. Science overwhelmingly supports the efficacy of lifestyle medicine. Here is your opportunity to learn more about how to transform your lifestyle so you can prevent breast cancer.
