The stories and the tips of Remarkable Health Recovery from choosing a healthier lifestyle

Adrian and Michealle Dorman, have been involved for over 30 years in health education. Adrian trained at the Sydney Adventist Hospital as a Registered Nurse. He then completed a Lifestyle Counselling Course in the USA. Together they managed a vegetarian restaurant and health food store and have worked in four health retreats in Australia, Africa and the USA. In recent years Adrian has been the manager and Michealle the head chef at the Cedarvale Health and Lifestyle Retreat in Kangaroo Valley, NSW. They now lead out in 'Cedarvale on the Road' another health education offered by Cedarvale.
