

# The Godhead

*Joel's Journey*

with Joel Ridgeway  
*From a staunch Anti-trinitarian  
to a confirmed believer in the  
Eternal Heavenly Trio*

What would cause a staunch Anti-trinitarian to change his view on the Godhead? Discover light on this most confusing topic from the journey of one who has 'been there and done it'.

The author was raised a Seventh-day Adventist, and in his early teens accepted the Anti-trinitarian view of God. But years later he experienced some unease with these teachings, and chose to search out more thoroughly the Truth for himself. The result: he is now a confirmed believer in the Eternal Heavenly Trio, Father, Son and Holy Spirit.
