

O death, where is thy sting? O grave, where is thy victory?

SABBATH AFTERNOON SEMINAR

with Oscar Sande

In 2018, Veronica Sande lost her brave battle with cancer. Oscar Sande, her husband, and their children supported Veronica 110% in her struggle to beat the illness. The family committed themselves to God. Recovery was not God's will for Veronica. Veronica was a powerful witness for her God all through her struggle to stay alive.

Now Oscar and the children, who remain, continue her witness and look forward to the great hope of the resurrection when the dead shall be raised incorruptible and this mortal shall put on immortality.

Oscar will tell the powerful, heart moving and inspiring story of how God has been with the Sande family all the way through this dark and challenging experience.

The seminar is in two parts

4. 00 pm: **Veronica's Story – Victory of Faith**

5. 30 pm: **Oscar and his Children's Story – Walking Through the Tears.**

A light evening meal will be served between the presentations. Bookings are NOT essential. But if you let us know you are coming it will help us with the numbers for catering.
