

"I had my orders. I had heard the words, like a voice from our Captain, "Meet it!" I knew what my duty was, and that there was not a moment to lose. The time for decided action had come. I must without delay obey the command, 'Meet it!'". Ellen White, 1 Selected Messages p. 206

Spiritual Formation & Contemplative Prayer

God has always had a people who will listen to and follow Him. Satan has a science, a government and especially a religion. He spares not expense in bringing all created beings under his control. His objective is to exert total mind control over those who have not accepted God's protection. Learn how he introduced this weapon of mass destruction and mind control into the universe and how he intends to carry it to the very end of earth's time.

Meet Anthony Burns

Anthony Burns spent many years in the music industry, performing on stage from 1973 until 1981. He also has a background in Multi-Level Marketing. While working as a musician he explored Scientology, Sorcery and New Age teachings. Now as a converted Christian, Anthony has learned that these pathways take a person to what is the masterpiece of deception. Anthony thanks God for His intervention in his life.

Having a lifelong passion for history, Anthony understands the importance of the lessons that can be learned from the past. As Christians today we need to understand the lessons that history can teach us.

Brother Anthony Burns and his wife Cheryl are the founders of The Second Advent Messenger Ministries, a prophecy, medical missionary and teaching ministry, with a focus on helping other self supporting ministries move from concept to exposure. They are based in Tennessee
